

**DRUG-TESTING ADMINISTRATION ACKNOWLEDGEMENT/CONSENT FORM**

The Hall County Board of Education has authorized mandatory random drug tests for all student-athletes who participate in Georgia High School Association (GHSA) interscholastic athletics and **all students who obtain a campus parking permit.**

1. The student must present to the school administration this signed consent form, which authorizes the school to administer drug testing and that allows the results of the test to be released to parents or guardians, administrative officials, and the head coach. **(Note: A signed consent form is a requirement to obtain a parking permit and for participation in any interscholastic activity. Parents and students do not have the option of not participating in the drug-screen program.)**
2. Random testing will take place at any time during the year with students chosen through lottery/random selection. Testing consists of providing a urine sample to those representatives of the firm administering the test. School personnel will supervise but will not administer the test. Privacy will be protected. Specimens will be processed for identity and secured to ensure against tampering. Test results will be reported to the school through the proper chain of command. In case of a positive result, the parent or guardian will be notified and the student will no longer be allowed to drive/park a vehicle at the school and will be disciplined by the discretion of administration.

Testing will be done by the Northeast Georgia Forensic /Toxicology Lab under the supervision of the Toxicology Program Manager.

This acknowledgement of administration and consent to allow participation in the random drug-testing program shall remain in effect until revoked in writing.

I have read this application and guidelines completely. I agree to abide by these guidelines and understand the consequences of violating them.
